**NOTES:**

1. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs ('MCA') has vide its circular dated 5<sup>th</sup> May, 2020 read with circulars dated 8<sup>th</sup> April, 2020 and 13<sup>th</sup> April, 2020 (collectively referred to as 'MCA Circulars') and SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12<sup>th</sup> May, 2020 permitted the holding of the annual general meeting ('AGM') through VC/OAVM facility, without the physical presence of the members at a common venue. In compliance with the provisions of the Companies Act, 2013 (the 'Act'), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'SEBI Listing Regulations') and MCA Circulars, the AGM of the Company is being held through VC/OAVM.
2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars and SEBI Circular through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. Institutional/Corporate Shareholders (i.e., other than individuals/HUF, NRI, etc.,) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC/OAVM, on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer and to the Company at the email address viz; ushakiranfinance@yahoo.co.in.
4. Members desiring any information/clarifications regarding the accounts or any matter to be placed at the AGM, are requested to write to the Company on or before the 15-9-2020 through email on ushakiranfinance@yahoo.co.in. The same will be replied by the company suitably.
5. The Register of Members and Share Transfer Books will remain closed from 19<sup>th</sup> September, 2020 to 26<sup>th</sup> September, 2020 (both days inclusive).
6. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, M/s. Venture Capital and Corporate Investments Private Limited in this regard.
7. The Company's Shares have been listed at BSE Limited and the listing fee has been paid up to 2020 - 2021.
8. Members holding shares in the same name, under different Ledger Folios are requested to apply for consolidation of such Folios and send the relevant share certificates to the Share Transfer Agent (RTA)/Company.
9. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.

## USHAKIRAN FINANCE LIMITED

10. To support “Green Initiative” Members are advised to register their email address in respect of shares held in physical form to the company or Registrars and Share transfer agent of the company. Members who have not yet registered their email addresses are requested to register with concerned depository participant in respect of shares held in demat form to enable the company to serve documents in electronic form.
11. Members who hold shares in physical form can nominate any person in respect of all the shares held by them singly or jointly. Members who hold shares in single name are advised, in their own interest to avail of the nomination facility. Members holding shares in dematerialized form may contact their respective depository participant(s) for recording nomination in respect of their shares. Members holding shares in physical form are requested to convert their holdings to dematerialized form to eliminate all risks associated with physical shares.
12. All the documents referred to in the Notice will be available to the members at the Registered Office of the Company between 11.00 A.M., to 1.00 P.M., on all working days from the date hereof up to the date of the Meeting.
13. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details and also their Bank Account Numbers to the Company/RTA.
14. Pursuant to Regulation 36(3) of SEBI (LODR) Regulations, 2015 and Secretarial Standard - 2 (SS-2) on General meetings, brief profile of Sri. T. Raja Sekhar, the director liable for retirement by rotation and eligible for reappointment, is furnished as Annexure to the notice.

Except Sri. T. Raja Sekhar, who is proposed to be reappointed as director and who is the Son of Sri. T. Adinarayana, Director of the company, none of the other directors or Key Managerial Personnel of the Company and their relatives are any way concerned or interested in the resolution. The board recommends for the approval of the members to pass the resolution as set out at item No.2 of the Notice as an Ordinary resolution.
15. Since the AGM will be held through VC/OAVM, the Route Map is not annexed in this Notice.
16. In compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2019-2020 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice and Annual Report 2019-2020 will also be available on the Company's website [www.uffinance.com](http://www.uffinance.com), website of the BSE Limited [www.bseindia.com](http://www.bseindia.com) and on the website of CDSL <https://www.evotingindia.com>
17. The attendance of the Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
18. E- Voting:
  - a. In compliance with the provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation

Under the Code, it is the responsibility of all the employees and directors to familiarize themselves with the code and comply with its standards and that the Board of Directors and Senior Management Personnel of the Company have affirmed compliance with the Code of Conduct of the Company for the year 2019-2020. A Declaration in this regard is herewith attached as Annexure VII.

**36. MANAGEMENT DISCUSSION AND ANALYSIS REPORT****a. INDUSTRY STRUCTURE AND DEVELOPMENTS:**

Your company is essentially an investment and finance company and registered with the Reserve Bank of India under the category of Non-Systematically Important Non-Deposit taking NBFC i.e., Non-Deposit taking NBFC with assets less than Rs. 100 crores. In the advent of Covid 19 Pandemic, the RBI's moratorium measures for customers is likely to put additional stress on many NBFCs. There is an asymmetry. On one hand, NBFCs have to offer such moratoriums to their customers; while on the other, their market borrowings must be repaid on due dates.

**b. OPPORTUNITIES & THREATS:**

As the pandemic has spread across the globe, the adverse impact of COVID-19 has overshadowed global macroeconomic outlook. Several multilateral agencies have projected recession for the global economy in the calendar year 2020 with the IMF (International Monetary Fund) warning of the global recession. The nature of lockdown observed in India is amongst the strictest in the world, considering the domestic policy space to control its negative impact is limited. The consequent steeper decline in economic activities could adversely affect credit intermediaries and financial markets. Moreover, the broad-based economic slowdown will put pressure on the asset quality of lender.

The biggest opportunity for the Indian financial system today is the Indian consumer. Demographic shifts in terms of income levels and cultural shifts in terms of lifestyle aspirations are changing the profile of the Indian consumer. Your Company being an investment Company seeks opportunities in the capital market. The volatility in stock indices in the financial year under report represents both an opportunity and challenge for the Company. Further the impact of stress in the NBFC sector spills over to this year as well, it may lead to lower credit off take from NBFCs, which may dampen growth in consumption spending.

Phasing out of lockdown/social distancing measures at a slower pace coupled with relatively tepid policy response may result in recession in the Financial Year 2020-2021. The most significant threat for any lending activity is to constantly exhibit operational excellence and contain the loss and mitigate the risks.

**c. FUTURE OUTLOOK:**

NBFCs are facing liquidity crisis and various risks due to the COVID-19 pandemic which led disruptions and have severely affected the fiscal arithmetic of both Union and State Government. In fact many corporates were dragged to NCLT under Insolvency and Bankruptcy Code which clearly manifests the stress the corporates are facing. Further, improvements in the capital markets may also positively impact the finance and investment companies. However, the continued deterioration in assets quality and NPA'S are haunting the finance companies.

**d. RISKS & CONCERNS:**

In the normal course of business, finance and investment companies are exposed to various risks, namely, Credit Risk, Market Risk and Operational Risk, besides other residual risks such as Liquidity Risk, InterestRate Risk, Strategic Risk etc., any company which is in the

business of lending, the entire proposition of the Company (providing finance to various segments of the economy) is on the fundamentals of managing the risk rather than avoiding it. Further the risk of market fluctuation will be a major risk associated with the company.

**e. INTERNAL CONTROL:**

The company has in place adequate internal financial control system. The Company's internal control systems, including internal financial controls, are commensurate with the nature of its business and the size and complexity of its operations and same are adequate and operating effectively. The Audit Committee reviews adequacy and effectiveness of the Company's internal control system including internal financial control. Your company has taken proper care for the maintenance of adequate accounting records as required by various statutes.

**f. PERFORMANCE HIGHLIGHTS:**

During the year 2019-2020, the company has earned gross income of Rs.11.93 Lakhs and incurred a net loss of Rs.9.50 Lakhs.

**g. HUMAN RESOURCES:**

The current activities of the company may not require significant human resource, however to the extent possible requisite personnel have been engaged to take care of organization need of human resources. Accordingly, your company attributes importance to human resource development activities.

**h. CAUTIONARY STATEMENT:**

The statements in this Management Discussion and Analysis describing the Company's objects, projections, estimates, expectations may be construed as "forward-looking" statements within the meaning of applicable securities laws and regulations and such forward looking statements involve risks and uncertainties. Actual results may differ materially from those expressed in this statement. Important factors that could influence the Company's operations include fluctuations in the capital markets, repayments by the borrowers, changes in government regulations, tax laws, economic developments within the country and other factors such as litigation and industrial relations. The Company undertakes no obligation to publicly update or revise any forward looking statements, whether as a result of new information, future events, or otherwise. Readers are cautioned not to place undue reliance on these forward looking statements.

**37. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUT GO**

The Company has not engaged in any manufacturing activity and thus its operations are not energy intensive. However, adequate measures are always taken to ensure optimum utilization and maximum possible saving of energy.

There were no Foreign Exchange earnings and out go during the year.

**38. PARTICULARS OF EMPLOYEES**

The information required pursuant to Section 197 of the Companies Act, 2013 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 in respect of employees of the company is herewith annexed as Annexure - VI.

In terms of Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company does not have any employee who is employed throughout the financial year and in receipt of remuneration of Rs.102 Lakhs or more, or employees who are employed for a part of the year and in receipt of Rs.8.50 Lakhs or more per month.

### **39. MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY**

There have been no material changes and commitments, affecting the financial position of the company which occurred during and between the end of the financial year to which the financial statements relate and the date of this report.

### **40. IMPACT OF COVID-19 PANDEMIC**

The COVID-19 pandemic has caused a huge disruption creating an unprecedented impact on the financial well-being of nations, corporations and individuals. The immediate impact on the business due to closure of offices coupled with transportation issues resulted in halting of advancing loans and collection of Principle and interest on loans since the last week of March 2020. The carrying value of the company's Investments as at 31<sup>st</sup> March, 2020, have been effected by the severity and duration of the outbreak; however the Company believes that it has taken into account all the possible impact of known events arising out of Covid-19 pandemic in the preparation of financial results resulting out of fair valuation of these investments. The Loans have also been subjected to impairment losses.

The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial results and the Company will continue to closely monitor any material changes and future economic conditions.

### **41. MAINTENANCE OF COST RECORDS**

The Company is not required to maintain cost records as specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013.

### **42. TRANSFER OF AMOUNTS TO INVESTOR EDUCATION AND PROTECTION FUND**

During the year under review the company does not have any amount of unclaimed and unpaid dividend which is required to be transferred to the IEPF.

### **43. TRANSFER OF UNCLAIMED SHARE TO INVESTOR EDUCATION AND PROTECTION FUND**

During the year under review, the company does not have any unclaimed shares that are required to be transferred to the Demat Account of the IEPF Authority.

### **44. SECRETARIAL STANDARDS**

Your Company complies with all applicable mandatory Secretarial Standards issued by the Institute of Company Secretaries of India.

**45. ACKNOWLEDGEMENT AND APPRECIATION**

Your Directors gratefully acknowledge the continued assistance and co-operation extended by various Government Authorities, SEBI, Stock Exchange, other regulatory authorities and bankers. The Board expresses its appreciation of the understanding, dedication and support extended by the employees of the Company. Your Directors also sincerely acknowledge the confidence and faith reposed by the shareholders in the Company.

## **INDEPENDENT AUDITORS' REPORT**

To  
The Members of  
**Ushakiran Finance Limited,**  
Report on the Audit of the Financial Statements

### **Opinion**

We have audited the accompanying financial statements of Ushakiran Finance Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2020, and the Statement of Profit and Loss, (including other comprehensive income) the Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind As financial statements give the information required by the Companies Act, 2013 ("The Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind As") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2020, and its loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter**

We draw attention to Note No.35 to the accompanying financial statements, which describe the effects of uncertainties relating to Covid-19 pandemic outbreak on the Company's operations and management's evaluation of its impact on the accompanying financial statements as at 31<sup>st</sup> March, 2020, the impact of which is dependent on future developments that are highly uncertain. Our opinion is not modified in respect of this matter.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind As financial statements of the current year. These matters were addressed in the context of our audit of the Ind As financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters.

Key Audit Matters	How our audit addressed the key audit matter
<p>1. Adoption of New Accounting framework (Ind As) effective 1<sup>st</sup> April 2019, the Company adopted the Indian Accounting Standards ("Ind As") notified by the Ministry of Corporate Affairs with the transition date of 1<sup>st</sup> April 2018.</p> <p>The following are the major impact areas for the Company upon transition:</p> <ul style="list-style-type: none"> <li>- Classification and measurement of Financial Assets and Financial Liabilities</li> <li>- Measurement of Loan losses (expected credit losses)</li> <li>- Measurement of investments-Equity Shares (quoted)</li> <li>- Measurement of Investments other than Equity</li> </ul> <p>Ind As 101, First Time Adoption prescribes choices and exemptions for first time application of Ind As principles at the transition date.</p>	<ul style="list-style-type: none"> <li>• We confirm the approvals of the Management for the choices and exemptions made by the Company for compliance/acceptability under Ind As 101.</li> <li>• Evaluated management's transition date choices and exemptions for compliance/acceptability under Ind As 101.</li> <li>• Understood, the methodology implemented by management to give impact on the transition and assessed the accuracy of the computations.</li> </ul>
<p>2. Impairment Loss Allowance Management's judgments in the calculation of impairment allowances have significant impact on the financial statements. The estimates regarding impairment require a significant degree of judgement, which increased with implementation of Expected Credit Loss ("ECL") approach starting from 1<sup>st</sup> April 2018 as required by Ind As 109 relating to "Financial instruments."</p> <p>Management is required to determine the expected credit loss.</p>	<p>We obtained an understanding of management's assessment of impairment of loans and advances including the Ind As 109 implementation process, impairment allowance and ECL.</p>

#### Other Information

The Company's Board of Directors are responsible for other information. The other information comprises the information included in the Directors' report and Management discussion and analysis but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind As financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for the Ind As Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind As financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income) cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind As financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind As financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind As financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will

always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind As financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- a) Identify and assess the risks of material misstatement of the Ind As financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the Ind As financial statements, including the disclosures and whether the Ind As financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind As financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016, ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure A", to this Report, a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.

## ANNEXURE – A TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' of our Report of even date to the members of Ushakiran Finance Limited on the Ind As Financial Statements as of and per the year ended 31<sup>st</sup> March, 2020.

1. (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) The fixed assets have been physically verified by the Management at reasonable intervals, and according to the information and explanations given to us, no material discrepancies were noticed on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) According to the information and explanations given to us and on the basis of our examination of the Records of the company, the title deeds of immovable properties are held in the name of the Company.
2. The Company has for the first time adopted Ind As and as such all the equities have been classified as investments under financial assets. Thus paragraph 3 (ii) is not applicable to the company.
3. The company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 during the year. Thus paragraphs 3 (iii) (a), 3 (iii) (b) and 3 (iii) (c) are not applicable to the company.
4. In our opinion and according to the information and explanations given to us, during the year, the Company has not given any loans, made investments, given guarantees or provided security to parties covered under the provisions of section 185 and 186 of the Companies Act, 2013. Thus paragraph 3 (iv) is not applicable to the company.
5. During the year the company has not accepted any deposits from the public within the meaning of Sections 73 to 76 of the Companies Act, 2013 and the rules framed there under. Thus Paragraph 3(v) is not applicable to the company.
6. The Central Government of India has not prescribed the maintenance of Cost records under section 148 (1) of the Companies Act, 2013 for any of the activities of the Company. Thus paragraph 3(vi) is not applicable to the company.
7. (a) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company is generally regular in depositing undisputed statutory dues including provident fund, employees state insurance, income tax, Goods and Services Tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees state insurance, income tax, Goods and Services Tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues were in arrears as at 31<sup>st</sup> March, 2020, for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues of income tax, customs duty, Goods and Services Tax, excise duty and cess which have not been deposited on account of any dispute.

## USHAKIRAN FINANCE LIMITED

8. According to the information and explanations given to us, the company has not defaulted in repayment of dues to the financial institutions, banks, government or debenture holders during the year. The Company has not obtained any loan from financial institutions, banks, government and debenture holders during the year.
9. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3(ix) of the Order is not applicable.
10. According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
11. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of the Section 197 read with Schedule V to the Companies Act, 2013.
12. In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
13. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
14. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable.
15. According to the information and explanations given to us and based on our examination of records of the company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, paragraph 3(xv) of the Order is not applicable.

## ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 2(f) of the Independent Auditors’ Report of even date to the members of Ushakiran Finance Limited on the Ind As Financial Statements for the year ended 31<sup>st</sup> March, 2020.)

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls over financial reporting of Ushakiran Finance Limited (“the Company”) as of 31<sup>st</sup> March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has maintained, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

**1. Notes forming part of Financial Statements****1.1 Corporate Information**

Ushakiran Finance Limited is a Non-Banking Finance Company registered with Reserve Bank of India and listed on the Bombay Stock Exchange (BSE Ltd.). It is mainly engaged in the business of investments and financing.

**1.2 Basis of Preparation and Presentation of Financial Statements**

The financial statements of the Company for the year ended 31<sup>st</sup> March, 2020 have been prepared and presented in accordance with the Indian Accounting Standards ("Ind As") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The Financial Statements have been prepared on historical cost convention on going concern and on accrual basis of accounting except for certain financial instruments that are measured at fair value. GAAPs of Indian Accounting Standards as specified in Section 133 of the Act read together with Rule 4 of Companies (Indian Accounting Standard) Amendment Rules, 2016 to the extent applicable, pronouncements of regulatory bodies applicable to the Company and other provisions of the Act. Accounting Policies have been consistently applied except where a newly issued Accounting Standards is initially adopted or revision to existing Accounting Standards requires a change in the accounting policy hitherto in use. Management evaluates all recently issued or revised Accounting Standards on an on-going basis.

These are the company's first annual financial statements prepared in accordance with Indian Accounting Standards (Ind As). The Company has adopted all applicable standards and the adoption was carried out in accordance with Ind As 101 – 'First Time Adoption of Indian Accounting Standards'. An explanation of how the transition to Ind As has affected the reported financial position, financial performance and cash flows of the Company are provided in Note number 25 First Time Adoption.

The Financial Statements for the year ended 31<sup>st</sup> March, 2019 and the opening Balance sheet as at 1<sup>st</sup> April, 2018 have been restated in accordance with Ind As for comparative information. Reconciliations and explanations of the effect of the transition from previous GAAP to Ind As on the Company's Balance Sheet, Statement of Profit and Loss and Statement of Cash Flows are provided in notes.

Except for the changes below, the Company has consistently applied accounting policies to all applicable periods.

**Amendment to Ind As 12, Income Taxes**

The Ministry of Corporate Affairs has notified limited amendments to Ind As 12 'Income Taxes' with effect from April 1, 2019. The amendments require an entity to recognise the income tax consequences of dividends as defined in Ind As 109 when it recognises a liability to pay a dividend. The income tax consequences of dividends are linked more directly to past transactions or events that generated distributable profits than to distributions to owners. Therefore, an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those

past transactions or events. Since Dividend Distribution Tax is not applicable with effective from April 1, 2020, this amendment will have no impact on the financial statements.

### **Appendix C to Ind As 12, Uncertainty over Income Tax Treatments**

The Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2019 containing Appendix C to Ind As 12, Uncertainty over Income Tax Treatments which clarifies the application and measurement requirements in Ind As 12 when there is uncertainty over income tax treatments. The current and deferred tax asset or liability shall be recognized and measured by applying the requirements in Ind As 12 based on the taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates determined by applying this appendix. The amendment is effective from April 1, 2019. The Company has evaluated the effect of this amendment on the financial statements and concluded that there is no significant impact.

### **Amendment to Ind As 19, Employee Benefits**

The Ministry of Corporate Affairs has notified limited amendments to Ind As 19 'Employee Benefits' in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement and to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling. The amendment is effective from April 1, 2019 the Company has evaluated the effect of this amendment on the financial statements and concluded that this amendment is currently not applicable.

### **Ind As 116, Leases**

Effective April 1, 2019, the Company has adopted Ind As 116 "Leases" and applied to its Lease contracts existing on April 1, 2019, using the modified retrospective method and has taken the cumulative adjustment to retained earnings, on the date of initial application. The Company has evaluated the effect of this amendment on the financial statements and concluded that there is no significant impact.

### **1.3 Basis of Measurement**

All assets and liabilities are classified into current and non-current based on the operating cycle of twelve months or based on the criteria of realisation/settlement within twelve months period from the reporting/balance sheet date.

**Assets:** An asset is classified as current when it satisfies any of the following criteria:

- a. It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is expected to be realized within twelve months after the reporting date; or
- d. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

**Liabilities:** A liability is classified as current when it satisfies any of the following criteria:

- a. It is expected to be settled in the Company's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is due to be settled within twelve months after the reporting date; or
- d. The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets/liabilities include the current portion of noncurrent assets/liabilities respectively. All other assets/liabilities are classified as noncurrent. Deferred tax assets and liabilities are always disclosed as non-current.

#### 1.4 Accounting Estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind As, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

**a. Depreciation and amortization:** Depreciation and amortization is based on management estimates of the future useful lives of certain class of property, plant and equipment and intangible assets.

**b. Provisions and contingencies** Provision and contingencies are based on the Management's best estimate of the liabilities based on the facts known at the balance sheet date.

#### **c. Fair valuation:**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2: Inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3: Inputs are unobservable inputs for the asset or liability.

For assets and liabilities that are recognised in the Financial Statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

At each reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be re-measured or reassessed in line with the Company's Accounting Policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### **1.5 Functional and presentation currency**

These financial statements are presented in Indian rupees, which is also the functional currency of the Company. All financial information presented in Indian rupees.

### **1.6 Property, Plant & Equipment**

Transition to Ind As

The Company has elected to continue with the net carrying value of all its property, plant and equipment recognized as of 1<sup>st</sup> April, 2018 (transition date) as per the previous GAAP and use that carrying value as its deemed cost.

### **Recognition and measurement**

Property, Plant and Equipment are stated at purchase price or cost of acquisition or construction less accumulated depreciation and impairment loss, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset i.e., freight, duties and taxes applicable and other expenses related to acquisition and installation. The cost of self-constructed assets includes the cost of materials and other costs directly attributable to bringing the asset to a working condition for its intended use. Borrowing costs that are directly attributable to the construction or production of a qualifying asset are capitalized as part of the cost of that asset.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continuous use of the asset.

Gains and losses upon disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognized net within the statement of profit and loss.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of repairs and maintenance are recognized in the statement of profit and loss as incurred.

Items of property, plant and equipment acquired through exchange of non-monetary assets are measured at fair value, unless the exchange transaction lacks commercial substance or the fair value of either the asset received or asset given up is not reliably measurable, in which case the asset exchanged is recorded at the carrying amount of the asset given up. Property, Plant and Equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital Work-in-Progress". Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses.

### **Depreciation**

Depreciation is recognized in the statement of profit and loss on written down value method over the estimated useful lives of property, plant and equipment based on Schedule - II to the Companies Act, 2013 ("Schedule"), which prescribes the useful lives for various classes of tangible assets and useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if appropriate. For assets acquired or disposed off during the year, depreciation is provided on prorata basis. Land is not depreciated.

### **1.7 Investment Property**

Investment property is property (land or a building-or part of a building-or both) held to earn rentals or for capital appreciation or both, rather than for:

- (a) Use in the production or supply of goods or services or for administrative purposes; or
- (b) Sale in the ordinary course of business.

#### **Transition to Ind As**

The Company has elected to continue with the net carrying value of all its Investment property recognized as of 1<sup>st</sup> April, 2018 (transition date) as per the previous GAAP and use that carrying value as its deemed cost.

#### **Recognition and measurement:**

An investment property shall be recognised as an asset when and only when

- (a) It is probable that the future economic benefits that are associated with the investment property will flow to the entity; and
- (b) The cost of the investment property can be measured reliably.

An investment property shall be measured initially at its cost. Transaction costs shall be included in the initial measurement. The company adopted cost model prescribed in Ind As 16 for accounting its investment property.

#### **Cost Model:**

After recognition as an asset, an item of investment property shall be carried at its cost less any accumulated depreciation and any accumulated impairment losses.

**Depreciation:**

Depreciation on items of Investment Property is provided on written down value basis, computed on the basis of useful lives mentioned in Schedule II to the Companies Act, 2013. Depreciation on additions/disposals is provided on a pro-rata basis i.e., from/up to the date on which asset is ready for use/disposed-off. The residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

Land is non-depreciable asset as per the Schedule II of the companies Act, 2013.

## **1.8 Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### **A. Financial Assets**

#### **1. Initial Recognition**

In the case of financial assets, not recorded at fair value through profit or loss (FVPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

#### **2. Subsequent Measurement**

For purposes of subsequent measurement, financial assets are classified in the following categories:

##### **a. Financial Assets at Amortised Cost**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

##### **b. Financial Assets Measured at Fair Value**

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Investment in Equity Instruments are designated as Financial Assets measured at fair value through OCI and Investments in Mutual Funds, Bonds, Debentures etc., are designated as Financial Assets measured at fair value through statement of Profit & Loss on date of transition.

**c. De-recognition of Financial Assets**

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

**B. Financial Liabilities**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

**1. Initial Recognition**

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, net of directly attributable transaction costs.

**2. Subsequent Measurement**

The measurement of financial liabilities depends on their classification, as described below:

**a. Financial liabilities at FVPL**

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

**3. De-recognition of Financial Liabilities**

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

### **1.9 Impairment of non-financial assets**

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e., the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generated Units (CGU) to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

### **1.10 Cash and Cash Equivalents**

Cash and Bank balances comprise of cash balance in hand, in current accounts with banks and Bank Fixed Deposits with original maturity of 3 months or less than 3 months. Cash flows are reported using the indirect method, whereby profit/(loss) before tax is adjusted for the effects of transactions of no cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year is classified by operating, investing and financing activities.

### **1.11 Employee Benefits**

#### **Short term employee benefits**

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably. The Company is not having any defined contribution plans at present.

### **1.12 Provisions, Contingent Liabilities and Contingent Assets**

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be

made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

### **Contingent liabilities**

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no such disclosure is made.

### **Contingent assets**

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

### **1.13 Revenue recognition**

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts and returns. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/discounts. Accumulated experience is used to estimate and provide for the discounts/right of return, using the expected value method.

As per Ind As 109, Financial Instruments, Interest income from financial assets is recognised on accrual basis, other than non performing assets, using effective interest rate method (EIR). Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on time proportionate basis, by reference to the principle outstanding and at the effective interest rate applicable. Interest income on Non-performing, doubtful/loss assets etc., are recognized as and when the amount is received and appropriated towards interest. Interest Income on Fixed Deposits is recognized on time proportionate basis taking into account the amount outstanding and the applicable interest rate.

Dividend income from investments is recognized when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

### **Net gain on fair value changes**

The Company designates certain financial assets for subsequent measurement at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI). The Company recognises gains on fair value change of financial assets measured at FVTPL and realised gains on derecognition of financial asset measured at FVTPL and FVOCI on net basis.

**Impairment of Financial Assets**

In accordance with Ind As 109, the company applies the expected credit loss (ECL) model for measurement and recognition of impairment loss on the trade receivables or any contractual right to receive cash or another financial asset. As Company trade receivables are realised within normal credit period adopted by the company, the company trade receivables are not impaired.

However the company provides the expected credit loss on loans and advance made by the company as per the prudential guidelines on both performing assets and non-performing assets. The carrying amounts of assets are reviewed at each balance sheet date to ascertain impairment based on internal/external factors. An impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the higher of the net selling price of the assets and their value in use.

**1.14 Income Tax****Current Tax**

Current Tax expenses are accounted in the same period to which the revenue and expenses relate. Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances, deductions and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

**Deferred Tax**

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

**Cash flow Statement**

Cash flows are reported using the indirect method, whereby net profit after tax is adjusted for the effects of transactions of non-cash nature, tax and any deferrals or accruals of past or future cash receipts or payments. The cash flows are prepared for the operating, investing and financing activities of the Company.

**1.15 Earnings Per Share**

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

**1.16 Trade Receivables**

Trade receivables are initially recognized at fair value and subsequently measured at amortised cost using effective interest method, less provision for impairment, if any.

**1.17 Trade and other payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method.

**1.18 Recent Accounting Pronouncements**

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.

## 25. First-time adoption of Ind As

These financial statements, for the year ended 31<sup>st</sup> March, 2020, are the first set of financial statements the Company has prepared in accordance with Indian Accounting Standards (Ind As). For periods up to and including the year ended 31<sup>st</sup> March, 2019, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

The Company has prepared financial statements which comply with Ind As applicable for periods ending on 31<sup>st</sup> March, 2020, together with the comparative period data as at and for the year ended 31<sup>st</sup> March, 2019, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at 1<sup>st</sup> April, 2018, i.e., the Company's date of transition to Ind As. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at 1<sup>st</sup> April, 2018 and the financial statements as at and for the year ended 31<sup>st</sup> March, 2019.

## Exemptions Applied

Ind As 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind As. The Company has applied the following exemptions:

The Company adopted not to measure any item of Property, plant and equipment and Investment property at its fair value at the Transition Date. Accordingly, on the transition date, the net carrying value of the property, plant and equipment, intangible assets and Investment property shall be considered as deemed cost for Ind As purposes.

## Estimates

The estimates at 1<sup>st</sup> April, 2018 and at 31<sup>st</sup> March, 2019 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustments to reflect any differences in accounting policies) apart from the following items where application of Indian GAAP did not require estimation:

FVTPL – Quoted Mutual Funds, Bonds, Debentures etc.,

FVTOCI – Equity Instruments

The estimates used by the Company to present these amounts in accordance with Ind As reflect conditions at 1<sup>st</sup> April, 2018, the date of transition to Ind As and as of 31<sup>st</sup> March, 2019.

## USHAKIRAN FINANCE LIMITED

Reconciliation of equity as previously reported under Previous GAAP and that computed under Ind As:

Particulars	Equity as at 31 <sup>st</sup> March, 2019 Rs.	Equity as at 1 <sup>st</sup> April, 2018 Rs.

Impact of Impairment	(8,68,285.20)
Net profit as per Ind As	(1,57,321.31)

### FVTPL Financial assets

Under Indian GAAP, the Company accounted for long term investments in quoted equity shares as investments measured at cost less provision for diminution other than temporary diminution in the value of investments, if any. Under Ind As, the Company has designated such investments as FVTPL investments. Ind As requires FVTPL investments to be measured

## USHAKIRAN FINANCE LIMITED

at fair value. At the date of transition to Ind As, difference between the instruments fair value and Indian GAAP carrying amount has been recognized as a separate component of equity, in the retained earnings.

### Deferred tax

Indian GAAP requires deferred tax accounting using the statement of profit and loss approach, which focuses on differences between taxable profits and accounting profits for the period. Ind As 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind As 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under Indian GAAP.

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs are other than quoted prices included within Level 1 that are observable for the Asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3 - Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

### **33. Financial Risk Management**

The Company's activities expose it to a variety of financial risks, including credit risk, liquidity risk and Market risk. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

#### **a) Credit Risk**

Credit risk is the risk of financial loss to the Company if a customer fails to meet his contractual obligations, and arises principally from the company's loan receivables. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of credit worthiness as well as concentration of risks. Risk principally consist of investments, loans and receivables, trade receivables, loans and advances and other financial assets.

Trade Receivables - The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer.
