NOTES:

1. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs ('MCA') has vide its circular dated 5th May, 2020 read with circulars dated 8th April, 2020, 13th April, 2020, 5th May, 2020, 13th January, 2021, 14th December, 2021 and 5th May, 2022 (collectively referred to as 'MCA Circulars') and SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12th May, 2020 and SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated 15th January, 2021, SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 has permitted the holding of the annual general meeting ('AGM') through VC/OAVM facility, without the physical presence of the members at a common venue. In compliance with the provisions of the Companies Act, 2013 (the 'Act'), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'SEBI Listing Regulations') and MCA Circulars, the AGM of the Company is being held through VC/OAVM. The company has appointed Central Depository Services (India) Limited (CDSL) to provide Video Conferencing (VC)/Other Audio Visual Means (OAVM) facility for the 36th Annual General Meeting and the attendant enablers for conducting of the AGM. The registered office of the Company shall be deemed to be the venue for the AGM. Hence, members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars and SEBI Circular through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. Institutional/Corporate Shareholders (i.e., other than individuals/HUF,NRI etc.,) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC/OAVM, on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer at the email address dvratnam97@gmail.com and to the Company at the email address viz., ushakiranfinance@yahoo.co.in.
4. Members seeking any information or clarification on the accounts are requested to send in writing queries to the Company, at least one week before the date of the Meeting to enable the Company to keep the information ready at the Meeting.
5. The Register of Members and Share Transfer Books will remain closed from Thursday, 22nd September, 2022 to Wednesday, 28th September, 2022 (both days inclusive).
6. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1,

2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Share Transfer Agents, M/s. Venture Capital and Corporate Investments Private Limited in this regard.

7. The Company's Shares have been listed at BSE Limited and the listing fee has been paid up to 2022 - 2023.
8. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
9. To support "Green Initiative" Members are advised to register their email address in respect of shares held in physical form to the company or Registrars and Share Transfer Agents of the company. Members who have not yet registered their email addresses are requested to register with concerned depository participant in respect of shares held in demat form to enable the company to serve documents in electronic form.
10. Members who hold shares in physical form can nominate any person in respect of all the shares held by them singly or jointly. Members who hold shares in single name are advised, in their own interest to avail of the nomination facility. Members holding shares in dematerialized form may contact their respective depository participant(s) for recording nomination in respect of their shares. Members holding shares in physical form are requested to convert their holdings to dematerialized form to eliminate all risks associated with physical shares.
11. Members may also note that the notice of the 36th Annual General Meeting is available on the Company's website: www.uffinance.com. All documents referred to in the accompanying notice and the statement pursuant to Section 102(1) of the Companies Act, 2013 shall be open for inspection by the Members by writing an e-mail to the Company at ushakiranfinance@yahoo.co.in.
12. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details and also their Bank Account Numbers to the Company/RTA.
13. Pursuant to Regulation 36(3) of SEBI (LODR) Regulations, 2015 and Secretarial Standard - 2 (SS-2) on General meetings, brief profile of Sri. T. R. Sekhar, the director liable for retirement by rotation and eligible for reappointment, is furnished as Annexure to the notice.

Except Sri. T. R. Sekhar, who is proposed to be reappointed as director and who is the Son of Sri. T. Adinarayana, Director of the company, none of the other directors or Key Managerial Personnel of the Company and their relatives are any way

concerned or interested in the resolution. The board recommends for the approval of the members to pass the resolution as set out at item No.2 of the Notice as an Ordinary resolution.

14. Since the AGM will be held through VC/OAVM, the Route Map is not annexed in this Notice.
15. In compliance with the MCA Circulars and SEBI Circulars issued from time to time, the Notice of the Annual General Meeting along with the Annual Report for the financial year 2021-2022 is being sent only by electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice of Annual General Meeting and Annual Report for the financial year 2021-2022 will also be available on the Company's website www.uflfinance.com; website of the Stock Exchange i.e., BSE Limited at www.bseindia.com, respectively and the AGM Notice is also available on the website of CDSL <https://www.evotingindia.com>.
16. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
17. E- Voting:
 - a. In compliance with the provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide the Members with the facility to exercise their right to vote on resolutions proposed to be considered at the 36th Annual General Meeting (AGM) by electronic means, through the e-voting services provided by Central Depository Services (India) Limited (CDSL). The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
 - b. The Chairman shall formally propose to the members participating through VC/OAVM facility to vote on the resolutions as set out in the Notice of the 36th AGM and announce the start of the casting of vote through the e-voting system of CDSL.
 - c. The Members can join the AGM in the VC/OAVM mode 15 minutes before the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc., who are allowed to attend the AGM without restriction on account of first come first served basis.
 - d. The voting rights of members shall be in proportion to their shareholding in the paid up equity share capital of the company as on 21st September, 2022, being the cut-off date.

- e. The remote e-voting period commences on Sunday, 25th September, 2022 (9:00 a.m. IST) and ends on Tuesday, 27th September, 2022 (5:00 p.m. IST). During this period, Members holding shares either in physical form or in dematerialized form, as on Wednesday, 21st September, 2022 i.e., cut-off date, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. Those Members, who will be present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system during the AGM.

The members of the Company, holding shares either in physical form or in dematerialized form, as on 21st September, 2022, being the cut-off date, may cast their vote (for or against) electronically. In case a person has become the member of the company after sending of AGM Notice but on or before the cut-off date i.e., 21st September, 2022 may write to M/s. Venture Capital and Corporate Investments Private Limited, (RTA), email: investor.relations@vccipl.com requesting for the user ID and pass word/sequence number. After receipt of the above credentials please follow the instructions for share holders voting electronically.

- f. The Members who have casted their vote by remote e-voting prior to the AGM may also attend/participate in the AGM through VC/OAVM but shall not be entitled to cast their vote again.
- g. The Board has appointed Mr. D. Venkata Ratnam, Chartered Accountant, of M/s. Suresh and Babu, Chartered Accountants, as scrutinizer for conducting the remote e-voting and voting during the Annual General Meeting in a fair and transparent manner.

Instructions for e-voting and joining the AGM are as follows:

The instructions for shareholders for e-voting and Joining Virtual Meeting are as under:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- i. The e-voting period will begin on Sunday, 25th September, 2022 (9:00 a.m. IST) and ends on Tuesday, 27th September, 2022 (5:00 p.m. IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) i.e., 21st September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- ii Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting.
- iii Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- iv In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

A Declaration in this regard is annexed as Annexure III.

36. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

a. INDUSTRY STRUCTURE AND DEVELOPMENTS:

Your company is essentially an investment and finance company and registered with the Reserve Bank of India under the category of Non-Systematically Important Non-Deposit taking NBFC i.e., Non-Deposit taking NBFC with assets less than Rs.100 crores.

Due to improved post covid-19 pandemic conditions, the outlook towards global and Indian Financial Markets has been improving. Although in the FY 2021-22, the concerns surrounding the sector due to debt defaults amidst temporary asset liability mismatches arose, the inherent strength of the sector, coupled with the Reserve Bank's continuing vigil on the regulatory and supervisory front, will ensure that the growth of the sector is sustained and liquidity fears are allayed.

b. OPPORTUNITIES & THREATS:

As India marches on a growth trajectory, the country is set to remain one of the fastest growing economies in the world. The financial year 2021-22 witnessed the impact of the third wave caused by the Omicron variant followed by geopolitical conflicts between Russia and Ukraine. In 2022 rising international commodity prices remain the biggest risk emanating from the conflict, as Russia and Ukraine are global suppliers of key commodities.

This pandemic has inflicted enormous pain and suffering to individuals and corporates alike across the world. However, it gave the world an opportunity to reinvent itself to adapt to new ways of life and business. COVID-19 was a real test of resilience and agility for every business.

While businesses across various parts of the country are resuming their operations gradually, they are still facing challenges due to the change in the macro-economic environment caused by pandemic. Corporations that have successfully adapted the challenges thrown by COVID-19 have become more resilient and prepared to weather future disruptions. It was not just the corporate sector that has been forced to rapidly adapt. Public services organizations, regulators, governments, and local administrations have demonstrated their potential to adapt and overcome.

Your Company being an investment Company seeks opportunities in the capital market. The volatility in stock indices in the financial year under report represents both an opportunity and challenge for the Company. As a long-term strategy, the Company has made investments in equities, mutual funds and fixed income securities and is looking forward for a sustainable growth in its investee Companies in the coming years which may enhance the shareholders' value.

The Covid-19 infection rates are currently down, but the pandemic has not been eradicated officially. Hence, the possibility of disruption of economic activity due to further waves of infections cannot be ruled out. The most significant threat for any lending activity is to constantly exhibit operational excellence and contain the loss and mitigate the risks.

c. FUTURE OUTLOOK:

The spill-over effects of geopolitical conflicts could enhance India's status as a preferred alternate investment destination. The large vaccinated population should help us contain the impact of subsequent infections waves, if any, substantially. The businesses have gradually started picking up pace with the roll out of vaccines and economic revival. Co-lending and assignment/securitization are likely to remain the catalysts of the upcoming financial year.

d. RISKS & CONCERNS:

Unexpected regulatory changes or increase in regulatory scrutiny/restrictions or unexpected events generally referred to as black swan events may affect the manner in which the markets react. As your company's business is purely into Finance & investment activities, the capital market developments may affect the gains and profitability of the Company. Finance and Investment Companies are exposed to various risks, namely, Credit Risk, Market Risk and Operational Risk, besides other residual risks such as Liquidity Risk, Interest Rate Risk, Strategic Risk etc., any company which is in the business of lending, the entire proposition of the Company (providing finance to various segments of the economy) is on the fundamentals of managing the risk rather than avoiding it.

e. INTERNAL CONTROL:

Your company has in place adequate internal financial control system and effective internal controls system, including internal financial controls, which are crucial for reducing the risk of financial loss. It helps to ensure accuracy, completeness and reliability in financial statements. The Company's internal control systems, including internal financial controls, are commensurate with the nature of its business and the size and complexity of its operations and the same are adequate and operating effectively. The Audit Committee reviews adequacy and effectiveness of the Company's internal control system including internal financial control. The Company has put in place enhanced risk-based supervision systems and ensures continuous monitoring. Your company has taken proper care for the maintenance of adequate accounting records as required by various statutes.

f. PERFORMANCE HIGHLIGHTS:

During the year 2021-2022 the company has earned Gross Income of Rs.36.35 Lakhs as against Rs.47.25 Lakhs during the financial year 2020-2021 and has earned a net profit of Rs.20.03 Lakhs for financial year 2021-2022 as against profit of Rs. 26.30 Lakhs during the financial year 2020-2021 respectively.

g. HUMAN RESOURCES:

The current activities of the company may not require significant human resource, however to the extent possible requisite personnel have been engaged to take care of organization need of human resources. Accordingly, your company attributes importance to human resource development activities.

39. MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY

There have been no material changes and commitments, affecting the financial position of the company which occurred during and between the end of the financial year to which the financial statements relate and the date of this report.

40. IMPACT OF COVID-19 PANDEMIC

The Covid infection rates have drastically come down, but the pandemic has not been eradicated officially. Hence, the possibility of disruption of economic activity due to further waves of infections cannot be ruled out. The Company believes that it has taken into account all the possible impact of known events arising out of Covid-19 pandemic in the preparation of financial statements resulting out of fair valuation of the investments. The Loans have also been subjected to impairment losses. The NBFC Sector is staring at another bout of liquidity challenges due to the side effects of COVID-19.

The impact of the epidemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes and future economic conditions.

Independent Auditors' Report

To
The Members of
Ushakiran Finance Limited,

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Ushakiran Finance Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss, (including other comprehensive income) the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("The Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our audit addressed the key audit matter
<p>1. The Company's investment portfolio consists of Equity Instruments and Mutual Funds.</p> <p>Total investment portfolio of the Company represents 87.93 per cent of the Company's total assets (net of provision).</p> <p>Investments are stated at fair value.</p> <p>In respect of the portfolio of quoted investments we do not consider these investments to be at a high risk of significant misstatement, or to be subject to a significant level of judgement because they comprise mostly liquid and quoted investments. However, due to their materiality in the context of the financial statements as a whole, they are considered to be main area which had significant impact on our overall audit strategy.</p> <p>2. The following are the impact areas for the Company.</p> <p>- Classification and measurement of Financial Assets (loans) and Financial Liabilities - Measurement of Loan losses (expected credit losses)</p> <p>3. Impairment Loss Allowance</p> <p>Management's judgments in the calculation of impairment allowances have significant impact on the financial statements. The estimates regarding impairment require a significant degree of judgement, which increased with implementation of Expected Credit Loss ("ECL") as required by Ind AS 109 relating to "Financial instruments." Management is required to determine the expected credit loss.</p>	<p>Our audit procedures for this area included:</p> <ul style="list-style-type: none"> • We assessed appropriateness of the pricing methodologies with reference to Company's accounting and valuation techniques. • We have assessed the process and tested the operating effectiveness of the key controls, including the Company's review and approval of the estimates and assumptions used for the valuation including key authorization and data input controls; • For quoted investments, verified with the quoted prices on the measurement date. <p>Understood, the methodology implemented by management to give impact due to classification of Financial Instruments, Measurement of expected credit losses.</p> <p>We have obtained an understanding of management's assessment of impairment of loans and advances including the Ind AS 109 impairment allowance and ECL.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for other information. The other information comprises the information included in the Directors' report and Management Discussion and Analysis Report but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate,

they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

b) Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020, ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure A", to this Report, a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2022, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its Directors/Manager during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the information and explanations given to us:
- i. The Company do not have pending litigations which would impact its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There are no funds, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

ANNEXURE – A TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' of our Report of even date to the members of Ushakiran Finance Limited on the Financial Statements for the year ended 31st March, 2022.

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of its Property, Plant and Equipment and its intangible assets.
- (b) The Property, Plant and Equipment and Investment Properties, have been physically verified by the Management at reasonable intervals, and according to the information and explanations given to us, no material discrepancies were noticed on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its business.
- (c) According to the information and explanations given to us and on the basis of our examination of the Records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the Records, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year;
- (e) According to the information and explanations given to us and on the basis of our examination of the Records of the Company, no proceedings have been initiated against the Company during the year or are pending against the Company as at 31st March, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The Company is in the business of providing loans and has classified all the equities and mutual funds as investments under financial assets and does not have any physical inventories. Thus paragraph 3(ii)(a) is not applicable.
- (b) According to the information and explanations given to us, the Company has not been sanctioned any working capital limits from banks or financial institutions at any point of time during the year under audit.
- (iii) (a) Since the Company's principal business is to give loans, the provisions of clause 3(iii)(a) of the Order are not applicable.
- (b) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the terms and conditions of the grant of all loans and advances, investments made are not observed to be prejudicial to the Company's interest.

- (c) In our opinion and according to the information and explanations given to us, in respect of loans and advances in the nature of loans (all are demand loans), the schedule of repayment of principal and payment of interest has been stipulated and the repayments or receipts in some cases are not regular during the year.
- (d) In our opinion and according to the information and explanations given to us, the total amount overdue for more than ninety days amounts to Rs.30,19,919/-. The Company is taking reasonable steps for recovery of the principal and interest.
- (e) Since the Company's principal business is to give loans, the provisions of claus 3(iii)(e) of the Order are not applicable.
- (f) In our opinion and according to the information and explanations given to us, the Company has granted loans which are either repayable on demand or without specifying any terms or period of repayment as given below.

	All parties	Related
Aggregate of loans repayable on demand	Rs.1,25,19,919/-	-
Percentage of loans to total loans	100%	-

- (iv) The Company has not advanced loans or made investments in or provided guarantee and security to parties covered by section 185 and section 186 is not applicable to the Company. Hence reporting under paragraph 3(iv) of the Order is not applicable.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Companies Act, 2013 and the rules framed there under. Thus Paragraph 3(v) of the order is not applicable to the Company. We are informed by the Management that no order has been passed by the Company Law Board, National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal against the Company in this regard.
- (vi) The Central Government of India has not prescribed the maintenance of Cost records under section 148 (1) of the Companies Act, 2013 for any of the activities of the Company. Thus paragraph 3(vi) of the order is not applicable to the Company.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company is generally regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees state insurance, income tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees state

insurance, income tax, Goods and Services Tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues were in arrears as at 31st March, 2022, for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no statutory dues which have not been deposited as on 31st March, 2022, on account of any dispute.

(viii) According to the information and explanations given to us, the Company does not have any transactions not recorded in books of accounts that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act 1961. Accordingly, paragraph 3(viii) of the Companies (Auditor's Report) Order, 2020 ("the Order") is not applicable to the Company.

(ix) (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.

(b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not taken any term loan during the year and there are no outstanding term loans and hence, reporting under clause 3(ix)(c) of the Order is not applicable.

(d) On an overall examination of the financial statements of the Company, no funds were raised on short term basis by the Company. Hence, reporting on clause 3(ix)(d) is not applicable.

(e) According to information and explanation given to us, the Company has not taken any fund from any entity or from any person on account of or to meet the obligations of its subsidiaries, associates or joint ventures and hence paragraph 3(ix)(e) of the Companies (Auditor's Report) Order, 2020 ("the Order") is not applicable to the Company.

(f) According to information and explanation given to us, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associates companies and hence paragraph 3(ix)(f) of the Companies (Auditor's Report) Order, 2020 ("the Order") is not applicable to the Company.

(x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

(b) The Company has not made preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year under review and hence reporting under paragraph 3(x)(b) of the Order is not applicable to the Company.

- (xi) (a) To the best of our knowledge, No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 (b) To the best of our knowledge, No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
 (c) As represented to us by the management, there are no whistle-blower complaints received by the Company during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us, all transactions with related parties are in compliance with Sections 177 and 188 of the Act wherever applicable and details have been disclosed in the Ind AS Financial Statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with its size and the nature of its business.
 (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) According to the information and explanations given to us and based on our examination of records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with them. ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 2(f) of the Independent Auditors’ Report of even date to the members of Ushakiran Finance Limited on the Financial Statements for the year ended 31st March, 2022.)

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls over financial reporting of Ushakiran Finance Limited (“the Company”) as of 31st March, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Notes forming part of Financial Statements

1.1 Corporate Information

Ushakiran Finance Limited is a Non-Banking Finance Company (Non Deposit taking) registered with Reserve Bank of India and listed on BSE Ltd., It is mainly engaged in the business of investments and financing.

1.2 Basis of Preparation and Presentation of Financial Statements

The financial statements of the Company for the year ended 31st March, 2022 have been prepared and presented in accordance with the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The Financial Statements have been prepared on historical cost convention on going concern and on accrual basis of accounting except for certain financial instruments that are measured at fair value. Any directions issued by the RBI or other regulators are implemented as and when they become applicable.

1.3 Accounting Estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

Fair valuation

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability, if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3.

Fair value hierarchy

- Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- Level 3 – Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

For assets and liabilities that are recognised in the Financial Statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is

significant to the fair value measurement as a whole) at the end of each reporting period.

At each reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be re-measured or reassessed in line with the Company's Accounting Policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.4 Functional and presentation currency

These financial statements are presented in Indian rupees, which is also the functional currency of the Company. All financial information presented in Indian rupees.

1.5 Property, Plant & Equipment (PPE)

The property plant and equipment are the assets held for the use in the supply of services.

Recognition and measurement

Property, Plant and Equipment are stated at purchase price or cost of acquisition or construction less accumulated depreciation and impairment loss, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset i.e., freight, duties and taxes applicable and other expenses related to acquisition and installation. The cost of self-constructed assets includes the cost of materials and other costs directly attributable to bringing the asset to a working condition for its intended use. Borrowing costs that are directly attributable to the construction or production of qualifying asset are capitalized as part of the cost of that asset.

An item is recognised as property plant and equipment if and only if it is probable that future economic benefits associated with the item will flow to the company and its costs can be measured reliably. Subsequent expenditure is added to the carrying amount or recognized as separate asset, when the Company expects future economic benefits from that item.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continuous use of the asset.

Gains and losses upon disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognized net within the statement of profit and loss.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of repairs and maintenance are recognized in the statement of profit and loss as incurred.

Items of property, plant and equipment acquired through exchange of non-monetary assets are measured at fair value, unless the exchange transaction lacks commercial substance or the fair value of either the asset received or asset given up is not reliably measurable, in which case the asset exchanged is recorded at the carrying amount of

the asset given up. Property, Plant and Equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital Work-in-Progress". Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses.

An item of the property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of the item of property, plant and equipment is determined as the difference between the sale proceeds and carrying amount of the asset and is recognised in profit and loss.

Depreciation

Depreciation is recognized in the statement of profit and loss on written down value method over the estimated useful lives of property, plant and equipment based on Schedule - II to the Companies Act, 2013 ("Schedule"), which prescribes the useful lives for various classes of tangible assets and useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if appropriate. For assets acquired or disposed off during the year, depreciation is provided on prorata basis. Land is not depreciated.

1.6 Investment Property

Investment property is property (land or a building or part of a building or both) held to earn rentals or for capital appreciation or both, rather than for:

- (a) Use in the production or supply of goods or services or for administrative purposes; or
- (b) Sale in the ordinary course of business.

Recognition and measurement:

An investment property shall be recognised as an asset when and only when

- (a) It is probable that the future economic benefits that are associated with the investment property will flow to the entity; and
- (b) The cost of the investment property can be measured reliably.

An investment property shall be measured initially at its cost. Transaction costs shall be included in the initial measurement. The company adopted cost model prescribed in Ind AS 16 for accounting its investment property. The fair value of investment property has been determined by the Management.

Cost Model

After recognition as an asset, an item of investment property shall be carried at its cost less any accumulated depreciation and any accumulated impairment losses.

Depreciation

Depreciation on items of Investment Property is provided on written down value basis, computed on the basis of useful lives mentioned in Schedule II to the Companies Act, 2013. Depreciation on additions/disposals is provided on a pro-rata basis i.e., from/up to the date on which asset is ready for use/disposed-off. The residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate. Land is non-depreciable asset as per the Schedule II of the Companies Act, 2013.

1.7 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset for one entity and a financial liability or equity instrument for another entity. Financial instruments also include derivative contracts such as foreign currency forward contracts and cross

currency swaps. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

A. Financial Assets

1. Initial Recognition

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets or financial liabilities measured at fair value through profit or loss are recognised immediately in profit or loss. Transaction costs directly attributable to the acquisition or issue of financial assets and financial liabilities that are measured at amortised cost are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

2. Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in the following categories:

a. Financial Assets at Amortised Cost

Classification and subsequent measurement

The Company classifies its financial assets as subsequently measured at either amortized cost or fair value depending on the Company's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets. A financial asset is measured at amortised cost only if both of the following conditions are met:

- The asset is held within a business model whose objective is to hold them to collect contractual cash flows and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the amount outstanding.

b. Financial Assets Measured at Fair Value

Financial assets are subsequently measured at fair value through other comprehensive income, if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

All equity investments are designated at Fair Value Through Other Comprehensive Income (FVTOCI). The fair value changes on the instrument, excluding dividends, are recognised under Other Comprehensive Income (OCI). There is no recycling of the amounts from OCI to the statement of profit and loss on sale of investment(s).

Any financial instrument, which does not meet the criteria for categorisation as amortized cost or as Fair Value Through Other Comprehensive Income (FVTOCI), is classified as at Fair Value Through Profit & Loss (FVTPL). In addition, the Company may elect to classify a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the profit and loss. Investments in Mutual Funds, Bonds, Debentures etc., are designated as Financial Assets measured at fair value through statement of Profit & Loss.

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method except for financial liabilities at FVTPL. A financial liability is classified as FVTPL if it is a derivative instrument(s) or it is designated as FVTPL on initial recognition. Interest expense, foreign exchange gains (losses) and any gains and losses on de-recognition are recognised in the profit or loss.

c. De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On de-recognition of a financial asset, the difference between the carrying amount of the asset and the consideration received is recognised in profit or loss.

Off-setting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet when the Company has a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realise the asset and settle the liability simultaneously.

B. Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument. The Company has not issued any debt or compound instruments.

1. Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, net of directly attributable transaction costs.

2. Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

a. Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL.

3. De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing

liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

1.8 Impairment of non-financial assets

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e., the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generated Units (CGU) to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

1.9 Cash and Cash Equivalents

Cash and Bank balances comprise of cash balance in hand, in current accounts with banks and Bank Fixed Deposits with original maturity of 3 months or less than 3 months.

1.10 Employee Benefits

Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably. The Company is not having any defined contribution plans and defined benefit plans at present.

1.11 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no such disclosure is made.

Contingent assets

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

1.12 Revenue recognition

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts and returns. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/discounts. Accumulated experience is used to estimate and provide for the discounts/right of return, using the expected value method.

As per Ind AS 109, Financial Instruments, Interest income from financial assets is recognised on accrual basis, other than non performing/Credit Impaired assets, using effective interest rate method (EIR). Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on time proportionate basis, by reference to the principle outstanding and at the effective interest rate applicable. Interest Income on Fixed Deposits is recognized on time proportionate basis taking into account the amount outstanding and the applicable interest rate.

Dividend income from investments is recognized when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Net gain/loss on fair value changes

Any differences between the fair values of financial assets classified as fair value through the profit or loss held by the Company on the balance sheet date is recognised as an unrealised gain/loss. In cases there is a net gain in the aggregate, the same is recognised in "Net gains on fair value changes" under Revenue from operations and if there is a net loss the same is disclosed under "Expenses" in the statement of Profit and Loss.

Similarly, any realised gain or loss on sale of financial instruments measured at FVTPL is recognised in net gain/loss in the statement of Profit and Loss.

However, net gain/loss on derecognition of financial instruments classified as amortised cost is presented separately under the respective head in the Statement of Profit and Loss.

Impairment of Financial Assets

In accordance with Ind AS 109, the company applies the expected credit loss (ECL) model for measurement and recognition of impairment loss on the trade receivables or any contractual right to receive cash or another financial asset. As Company is not having any trade receivables, but if any, are realised within normal credit period adopted by the company, the company's trade receivables are not impaired.

However the company provides the expected credit loss on loans and advance made by the company as per the prudential guidelines on both standard assets and non-

performing assets. The carrying amounts of assets are reviewed at each reporting date/balance sheet date to ascertain impairment based on internal/external factors. An impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the higher of the net selling price of the assets and their value in use.

Simplified Approach

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance. However, if receivables contain a significant financing component, the Company chooses as its accounting policy to measure the loss allowance by applying general approach to measure ECL.

General Approach

The ECL allowance is based on the credit losses expected to arise over the life of the asset (the lifetime expected credit loss), unless there has been no significant increase in credit risk since origination, in which case, the allowance is based on the 12 months' expected credit loss. 12 months ECL represents the expected default events on the financial asset that are possible within 12 months after the reporting date.

Where the credit risk on the financial assets has not increased significantly since initial recognition, the loss is measured at an amount equal to 12 months ECL. Where the credit risk on the financial assets has increased significantly since initial recognition, the loss is measured at an amount equal to the lifetime expected credit loss.

1.13 Income Tax

Tax expense comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination, or items recognised directly in equity or in OCI.

Current tax

Current tax is measured at the amount expected to be paid in respect of taxable income for the year in accordance with the Income Tax Act, 1961. Current tax comprises the tax payable on the taxable income or loss for the year and any adjustment to the tax payable in respect of previous years. It is measured using tax rates enacted at the reporting date.

Current tax assets and liabilities are offset only if, the Company has a legally enforceable right to set off the recognised amounts; and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable income.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. It is measured using tax rates enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences can be utilized. Deferred tax assets are reviewed at each reporting date and based on management's judgement, are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax assets and liabilities are offset only if the Company:

- a) Has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) The deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

Current and Deferred tax for the Year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Minimum Alternate Tax (MAT)

Minimum alternate tax (MAT) is not applicable to the Company, it has chosen an option to pay corporate tax under section 115BAA at the rate of 22% plus applicable surcharge and cess subject to compliance with certain conditions.

Cash flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of non-cash nature, tax and any deferrals or accruals of past or future cash receipts or payments. The cash flows are prepared for the operating, investing and financing activities of the Company.

1.14 Earnings Per Share

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

1.15 Trade Receivables

Trade receivables are initially recognized at fair value and subsequently measured at amortised cost using effective interest method, less provision for impairment, if any.

1.16 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method.

1.17 Recent accounting pronouncements

Ministry of Corporate Affairs ('MCA') notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23 March 2022, MCA issued the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from 1 April 2022, as below:

Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the Company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 116 – Annual Improvements to Ind AS (2021)

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements.

Valuation Methodologies of Financial Instruments measured at fair value

Mutual Funds

The fair values of investments in mutual fund units is based on the net asset value ('NAV') as stated by the issuers of these mutual fund units in the published statements as at Balance Sheet date. NAV represents the price at which the issuer will issue further units of mutual fund and the price at which issuers will redeem such units from the investors. Such instruments are classified as Level 1.

Equity Shares

Equity shares are fair valued based on their quoted market prices at the end of reporting period. The quoted market price used for financial asset held by the Company is the current bid price. Such instruments are classified as Level 1 and unlisted shares are classified as Level 3.

Note 32: Financial Instruments

Note 33: Financial Risk Management

The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The financial risks are managed in accordance with the Company's risk management policy which has been approved by its Board of Directors. The Company's Board of Directors has overall responsibility for managing the risk profile of the Company. The purpose of risk management is to identify potential problems before they occur, so that risk-handling activities may be planned and invoked as needed to manage adverse impacts on achieving objectives.

The Company has exposure to the following risks arising from Financial Instruments:

Risk	Exposure arising from
Credit Risk	Cash and cash equivalents, other bank balances, trade & other receivables, Loans, financial assets measured at amortised cost
Liquidity Risk	Financial liabilities
Market Risk - Foreign Exchange	—
Market Risk – Interest Rate	Investments in debt securities
Market Risk – Price	Investments in equity Shares measured, At FVTOCI and Mutual Funds measured at FVTPL

(A) Credit Risk

Credit risk is the risk of financial loss to the Company, if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's trade and other receivables, cash and cash equivalents, other bank balances and financial assets measured at amortised cost.

Exposure to credit risk is mitigated through regular monitoring of collections, counterparty's creditworthiness and diversification in exposure.

Exposure to Credit Risk

The carrying amount of financial assets represents maximum amount of credit exposure. The maximum exposure to credit risk is as per the table below, it being total of carrying amount of cash and cash equivalents, other bank balances, trade and other receivables, Loans and financial assets measured at amortised cost.

(Rs.)

Particulars	As at 31 st March, 2022	As at 31 st March, 2021
Maximum exposure to credit risk	1,11,70,643.12	1,30,86,409.98

Expected Credit Loss (ECL) on Financial Assets

The Company continuously monitors all financial assets subject to ECL. In order to determine whether an instrument is subject to 12 month ECL or life time ECL (LTECL), the Company assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Company applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk or the asset has been credit impaired:

- Historical trend of collection from counterparty
- Company's contractual rights with respect to recovery of dues from counterparty
- Credit rating of counterparty and any relevant information available in public domain

ECL is a probability weighted estimate of credit losses. It is measured as the present value of cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with contract and the cash flows that the Company expects to receive).

The Company has following type of financial assets that are subject to the expected credit loss:

(i) Trade and other receivables

Exposures to customers' outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of collection from counterparties on timely basis reflects low level of credit risk. As the Company has a contractual right to such receivables as well as the control over such funds due from customers, the Company does not estimate any credit risk in relation to such receivables. The company do not have any trade receivables as at 31.03.2022 and as at 31.03.2021.

(ii) Cash and cash equivalents and other bank balances

The Company holds cash and cash equivalents and other bank balances. The credit worthiness of such banks and financial institutions is evaluated by the Management on an ongoing basis and is considered to be high.

(B) Liquidity Risk

Liquidity risk is defined as the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company might be unable to meet its payment obligations when they fall due as a result of

USHAKIRAN FINANCE LIMITED

mismatches in the timing of the cash flows under both normal and stress circumstances. Such scenarios could occur when funding needed for illiquid asset positions is not available to the Company on acceptable terms.

To limit this risk, management has adopted a policy of managing assets with liquidity in mind and monitoring future cash flows and liquidity on a regular basis. The Company has developed internal control processes for managing liquidity risk.

The Company maintains a portfolio of highly marketable and diverse assets that are assumed to be easily liquidated in the event of an unforeseen interruption in cash flows. The Company assesses the liquidity position under a variety of scenarios, giving due consideration to stress factors relating to both the market in general and specifically to the company.

As of 31st March, 2022 and 2021, the Company had unutilized credit limits from banks of NIL and NIL respectively.

As of 31st March, 2022, the Company had working capital (current assets less current liabilities) of Rs.24,53,621.12 including cash and cash equivalents of Rs.23,07,285.12, As of 31st March, 2021, the Company had working capital of Rs. 66,57,666.98 including cash and cash equivalents of Rs.6,02,899.71.

(C) Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows related to financial instrument that may result from adverse changes in market rates and prices (such as foreign exchange rates, interest rates, other prices). The Company is exposed to market risk primarily related to currency risk, interest rate risk and price risk.

(i) Currency Risk

The Company does not have any foreign currency denominated assets. Accordingly, the exposure to currency risk will not arise.

(ii) Interest Rate Risk

The Company is not much exposed to the interest rate risk due to lack of investments in Debt Securities mainly. The interest rate risk arises due to uncertainties about the future market interest rate on these investments.

(iii) Price Risk

Price risk is the risk that the value of the financial instrument will fluctuate as a result of changes in market prices and related market variables including interest rate for investments in debt oriented mutual funds and debt securities, whether caused by factors specific to an individual investment, its issuer or the market. The Company's exposure to price risk arises from investments in equity securities, units of mutual funds which are classified as financial assets at Fair Value through Other Comprehensive Income and Fair Value through Profit and Loss respectively and is as follows:

(Rs.)		
Particulars	As at 31 st March, 2022	As at 31 st March, 2021
